v.	)	CASE NO. 96-611
	)	
GTE SOUTH INCORPORATED	)

DEFENDANT	)	

O R D E R

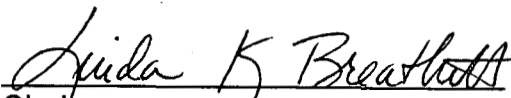

On October 3, 1997, the Commission entered its final Order dismissing this case after finding no evidence in the record to support Complainant's allegations that GTE South Incorporated ("GTE South") has provided inadequate service to Complainant. On October 10, 1997, Complainant filed a motion seeking reconsideration of the Commission's final Order.

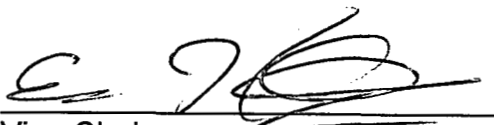

The Commission, having considered the motion and being otherwise sufficiently advised, finds that said motion does not include any evidence to support a claim that reconsideration is appropriate. The motion merely repeats the allegations contained in the evidence of record, which this Commission has fully considered. Complainant's motion should, therefore, be denied.

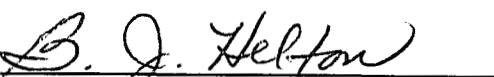

IT IS THEREFORE ORDERED that Complainant's motion for reconsideration be and it hereby is denied.

Done at Frankfort, Kentucky, this 30th day of October, 1997.
